

Permission to Walk from Tomah School to Club

Member's Name: _____

Elementary School: _____

School Year: _____

I have voluntarily chosen to allow my child to walk from their Elementary School or the Middle School bus drop to the Club. To leave the school unsupervised where they may be exposed to dangers that are beyond control of our staff of the Boys & Girls Club and I agree that I am solely responsible for the consequences of any events that occur while my child is not in the care of the Boys & Girls Club.

I hereby represent that any minor on whose behalf I am signing, is physically and mentally fit to walk from their school the Boys & Girls Club unaccompanied on their own recognizance.
I am aware that signing this request releases the Boys & Girls Club from any liability involving my child while not in the care of the Boys & Girls Club.
