A “real feel” temperature of 0 F is used as a guideline to determine if children should be outside. If there is a heat advisory we will remain in our air-conditioned buildings during the advisory. The schedule may be altered to go outside earlier or later to still include outdoor activities in our day.

### **PARENT COMMUNICATION**

We always strive to inform parents of Club activities and events. We wish for all parents to be pleased with their child's supervision and experience at the Club. Activities and events are posted throughout the Club and flyers for all special events are located at the front desk. Parents are encouraged to come inside to view the posted information and ask staff questions.

We also depend upon parents to keep us informed of issues and events effecting your child(ren). If there are changes to your child's health, medication, living situations, etc. it is the responsibility of the parent to notify Club staff. Please remember to notify us of contact information changes or custody arrangement changes so we can best serve your child.

### **PERSONAL ITEMS / LOST AND FOUND**

- The Club is not responsible for personal items of Members.
- The Club has a lost and found located near the front entrance/cubbies.
- Lost and found items are kept for 2 weeks and then donated to the community.
- Club members are responsible for their personal belongings and should not bring expensive equipment including electronics, jewelry or anything else of value.
- Members are asked to store their items in a personal backpack or bag in cubbies. (Please do not use plastic grocery sacks, they rip easily)
- ***Club members are not allowed to store their personal belongings behind the front desk or in offices.***

### **WALKING TO AND FROM SCHOOL**

The Club offers chaperones walking from Miller School & the Middle School Bus drop off on all school days. We also pick up at the Middle school from T ASD Summer PACK. ***It is our recommendation that all youth in 5th grade or younger walk with the Boys & Girls Club staff and other club members.*** We

recommend those walking from Queen of The Apostles school meet and walk with the Miller Elementary school group.

### **SAFE PASSAGE POLICY**

- Members must sign in and out each day at the Club front desk.
- When a member has signed out of the Club they are gone for the day and may not return until the following day, unless permission has been requested by parents and granted in advance by the Site Director. (Example: doctor appointment, lunch with a parent on a no-school day).
- Members must have parental permission and Site Director permission granted in advance to leave the Club and return again on the same day. (including during our summer program) Parents must make arrangements to transport their children to these activities, or give them permission to walk in writing. Ask at the front desk for the "Outside Activity Form"
- Members that leave the Club without signing out will face disciplinary actions up to and including suspension and termination of membership.
- Parents/guardians are responsible for arranging transportation to and from the Club. For children who will be walking to and from the Club we suggest that parents discuss and practice the preferred route with their child.
- Youth members are responsible for following the rules of the Boys & Girls Club and following their parents'/guardians' guidelines regarding how and when to depart the Club.
- As part of our daily routine Club staff like to know each child's plan for departing the Club. Club staff desire to work with parents to help children learn responsibility and be accountable for their actions, however transportation remains the responsibility of the parents/guardians.

Club staff will not physically restrain a member that insists on leaving the Club, nor block the facility's exits and based on the reality of staff size and location of open exits we cannot guarantee that a member will not leave the Club on their own without the knowledge of the staff. Therefore it is each parent's responsibility to discuss the Club's Safe Passage policy with his or her child and ensure that he or she complies. The Club cannot accept responsibility for members once they leave the Club where they may be exposed to dangers that are beyond the control of our staff.

### **DRESS CODE POLICY**

Proper dress is the responsibility of members and their parents. Rules pertaining to appropriate member attire are necessary in order to maintain good decorum and a favorable academic atmosphere. The Executive Director and/or Site Director will use their discretion to make appropriate decisions regarding the appropriateness of each member's dress and possible consequences for violation of this policy. Members wearing inappropriate clothing will be asked to change or turn their shirts inside out.

Members are not permitted to wear clothing that is inappropriate for the Club setting. Clothing that displays profanity, is sexually suggestive, offensive, promotes gang activity, or promotes alcohol, tobacco, or drug use is not appropriate.

Each day a participant attends during the Summer Day Camp hours a punch will be taken off their card. All punch cards must be purchased prior to a member's attendance during Summer Day Camp hours. ### ***Summer Day Camp versus Drop In Center***

The summer day camp program is 11:30am – 5:30pm. During this time all youth are signed in at the Club even though they may be away from the Club for programming. If youth wish to leave programming they must have a note or a telephone call by a parent notifying staff of a change in schedule.

The Drop-in Center is open 7:30am – 11:30am. Keep in mind, however, if a member signs out he/she is gone for the day (unless parents have made prior arrangements). The exception to this is for youth who have appointments, classes or lessons and bring a note from home. Youth are able to use the telephone to phone parents to ask if they may leave the Club to go elsewhere and are encouraged to do so by Club staff. The Drop-in hours are included with your annual membership fee.

A limited space is available on each field trip. Field trip fees and permission slips must be submitted at the same time in order for a child to be signed up for the trip. Reserving spots is not allowed.

**The Club will be closed on “field trip days” to non-field trip participants.** For example, the Camp youth go on an all-day Noah’s Ark trip and your child does not go. The Club is closed to him/her because the staff that normally supervises him/her is on the field trip.

- **Field trips have a minimum amount of members signed up. If we have not reached the minimum, the trip will be cancelled.** If a field trip is cancelled, all registered participants will receive a Field Trip Voucher for the amount they have already paid.
- The cost of the field trips will vary depending on where we are going.
- Each field trip has a limited number of spots available. The fee of the field trip must be paid at the time the permission slip is due. Field trip fees are non-refundable.
- A free sack lunch will be provided on all field trips or your child may bring their own which will be turned into staff (well marked) to be placed in a cooler.
- Field trips are subject to change due to weather, transportation, etc.
- Field trip flyers and permission slips will be available at the front desk.
- Each field trip will have a sign up deadline that will be strictly adhered to. The charge of the field trip must be paid at the time the permission slip is due.
- Club rules apply whether we are in the building or on a field trip. If your child receives three warnings while on a field trip they will be separated from the group and not allowed to participate. Given the location you may be required to come get your child. Future field trip privileges will be evaluated at this time.

Usually the members will be traveling on a chartered bus and will follow all our rules:

- Be seated at all times
- Do not talk above your normal voice
- Keep your hands to yourself at all times
- Keep hands and other appendages inside the bus and not out the windows
- The bus will be cleaned up after each field trip prior to being allowed to leave

### **BRING YOUR OWN DEVICE –ACCEPTABLE USE POLICY**

The Boys & Girls Clubs of West-Central Wisconsin adopts this policy to maintain a safe and secure environment for members, staff, volunteers and others. Any child who brings a personal electronic device to the Club of any kind agrees to the following:

A personally owned device includes all member--owned existing and emerging technologies and devices that can take photographs; play and record audio or video; input text; upload and download content and/or media; and transmit or receive messages or images.

Emerging technologies and devices include but are not limited to cell phones, computers, tablets and storage media (e.g., flash drives), as well as communication tools including social media sites, text messages, chat and websites.

Not all devices are covered within this policy. Unacceptable devices in this policy include, but are not limited to, gaming devices or consoles, laser pointers, modems or routers and televisions.

Club purposes include program activities, career development, communication with experts and/or Club peer members, homework and Club activities. Members are expected to act responsibly and thoughtfully when using technology resources. Members bear the burden of responsibility to ask staff when they aren't sure of the permissibility of a particular use of technology prior to engaging in the use.

Personally owned devices are permitted for use during Club time for Club purposes and in approved locations only. The Club expressly prohibits the use of personally owned devices in locker rooms, restrooms and other areas where there is an expectation of privacy.

Any inappropriate use of a personally owned device, as determined by Club staff, can lead to disciplinary action including, but not limited to, confiscation of the device, immediate suspension from the Club, termination of membership, or other disciplinary actions determined to be appropriate to the Club's existing disciplinary policies including, if applicable, referral to local law enforcement.

Inappropriate communication includes, but is not limited to, obscene, profane, lewd, vulgar, rude inflammatory, threatening, or disrespectful language or images typed, posted or spoken by members; information that could cause damage to an individual or the Club community, or create the danger of disruption of the Club environment; personal attacks, including prejudicial or discriminatory attacks; harassment (persistently acting in a manner that distresses or annoys another person) or stalking others; knowingly or recklessly posting false or defamatory information about a person or organization; and communication that promotes the destruction of property, including the acquisition or creation of weapons or other destructive devices. If a member is told to stop sending communications, that member must cease the activity immediately.

Members may not use any technology to harass, threaten, demean, humiliate, intimidate, embarrass, or annoy their peers or others in their community. This behavior is cyberbullying, which is bullying that takes place using emerging technologies and devices. Examples of cyberbullying include mean text messages or emails; rumors sent by email or posted on social networking sites; and embarrassing pictures, videos, websites or fake profiles. Any cyberbullying that is determined to disrupt the safety and/or well-being of the Club, Club member, Club staff or community is subject to disciplinary action.

Members must be aware of appropriateness of communications when using Club or personally owned devices. Inappropriate communication is prohibited in any public messages, private messages and material posted online by members.

Monitoring and inspection. Boys & Girls Clubs of West-Central Wisconsin reserves the right to monitor, inspect, copy and review a personally owned device that is brought to the Club. Parents/Guardians will be notified before such an inspection takes place and may be present, at their choice, during the inspection. Parents/Guardians may refuse to allow such inspections. If so, the member may be barred from bringing personally owned devices to the Club in the future.

Internet access. Personally owned devices used at the Club are not permitted to directly connect to the Internet through a phone network or other content service provider. Personally owned devices must access the Internet via the Club's content-filtered wireless network. Boys & Girls Clubs of West-Central Wisconsin reserves the right to monitor communication and Internet traffic, and to manage, open or close access to specific online websites, portals, networks or other services. Members must follow Club

procedures to access the Club's Internet service. (At this time club members at our Milwaukee St Site do NOT have access to Wi-Fi)

Loss and damage. Members are responsible for keeping the device with them at all times. Staff are not responsible for the security and condition of the member's personal device. Furthermore, the Club is not liable for the loss, damage, misuse or theft of any personally owned device brought to the Club.

Parental notification and responsibility. BGCA's Internet Acceptable Use Policy restricts the access of inappropriate material. However, supervision of usage may not always be possible while members use the Internet. Due to the wide range of material available on the Internet, some material may not fit the particular values of members and their families. Because of this, it is not practical for BGCA to monitor and enforce a wide range of social values in student use of the Internet. If parents do not want members to access information beyond the scope of the Internet Acceptable Use Policy, parents should instruct members not to access such materials.

### **PARENT AND MEMBERSHIP PERMISSION**

By signing the Boys & Girls Clubs of West-Central Wisconsin, Membership form, parents/guardians consent to their child's participation in computer activities, which can include computer games and Internet usage.

1. This is considered a legally binding agreement.
2. Members will take full responsibility for their device and keep them with them at all times. Members may not lend their device to any other Club member or staff. The Club is not responsible for the security of the device or loss/damage/theft of a personally owned device.
3. Members are responsible for the proper care of their personal device, including any costs of repair, replacement or any modifications needed to use the device at the Club.
4. Members should only use their device to access services, networks or files relevant to Club-sanctioned programs. Members should only use the features of their device, including, but not limited to, taking or transmitting pictures, videos, location information or other features in accordance with program offerings.
5. Members may not use the device to record, transmit or post pictures, videos, or other information of or about a person or persons at the Club. Nor can any images, videos, or other information recorded at the Club be transmitted or posted at any time without the express permission of Club staff.
6. Members must use the Club's secured wireless network. Use of cellular (e.g., 3G, 4G) wireless connections is not allowed. (At this time club members at our Milwaukee St Site do NOT have access to Wi-Fi)
7. The Club reserves the right to inspect a member's personal device. Parents/Guardians will be notified and allowed to be present before any such inspection takes place. Parents/Guardians are free to refuse to allow Club staff to inspect a device; however, that member may be barred from bringing personally owned devices to the Club in the future. This decision will be at the Club's discretion.

8. Members must comply with staff requests to shut down or turn off the device when asked. Failure to do so may result in the member being barred from bringing personal devices in the future.

9. Violations of any Club policies, administrative procedures or Club rules involving a member's personally owned device may result in the member being barred from bringing personal devices in the future.
